THESIS PROGRESS REPORT

Instruction

This form represents a report of the candidate's progress to be completed on a two months basis since the beginning of the thesis work. It consists of two sections. The student is required to complete section A and pass the form to the supervisor who completes section B. The student signs section B after reading the supervisor's report and submits the report to the Postgraduate program coordinator.

SECTION A: TO BE COMPLETED BY STUDENT

NAME: _____ ID NUMBER: _____ PHONE: _____

1. With reference to your research work, please comment on the most important/relevant work you have accomplished in the last two months. Outline any difficulties that have affected your progress during this period.

Use a separate sheet if necessary.

Give an outline of your plan for the next two months.

SECTION B: TO BE COMPLETED BY SUPERVISOR

2. With reference to the student's plan for the previous two months, comment on how the plan has been fulfilled. *Use a separate sheet if necessary.*

3. Comment on outline of the student's plan for the next **two** months.

4. Please summarize the student's progress over the last two months.

Excellent: _____ **Satisfactory:** _____ **Unsatisfactory:** _____
